

## ART STUDIO HONORS APPLICATION PROCESS

### DIRECTIONS FOR APPLYING AS AN ART STUDIO MAJOR

Studio Art majors who wish to be candidates for Honors are required to take an extra Studio course, of their choosing, for a total of ten courses. One of those courses must be the Senior Seminar (ARTS 418). Students are also required to take the Honors Independent Study course during Winter Study of their senior year. *(The Winer Study Honors candidates for 2021 will be working with faculty member, Sarah Rara, and have the option of doing so remotely due to COVID.)*

Feedback on the progress of the Honors project will be provided by the Studio Art faculty at the beginning of the spring semester. At the end of the spring semester of senior year, Honors candidates will orally defend their work. The entire Studio Art faculty will attend each defense. Based on the work and the oral defense, the Studio Art faculty, as a whole, will designate Honors, High Honors, or No Honors.
